ABOUT US

Speke Resort Munyonyo, Munyonyo Commonwealth Resort and Speke Resort Convention Centre, Kampala's premium destination, located a mere 30 minutes drive from Entebbe International airport.

Spread across 110-acres, the lavish estate lies on the shores of Lake Victoria and stands as the definitive pinnacle to opulent living, state of the art conference centre, multi leisure ecotourism and a popular wedding destination with multicuisine restaurants and an array of leisure activities.

The 5 Star Resorts with over 20 years of experience represent a destination that can play host to exceptional and unique event. A Core focus of the resorts has always been the M.I.C.E markets. Boasting 34 multipurpose indoor venues including a Convention Hall, 3 grand ballrooms, 30 conference rooms and 9 outdoor spaces with opulent lake views, which can host up to 10,000 guests.

Comprising of 476 luxury guest rooms, including 59 Presidential Suites, the Resort is surrounded by sweeping and idyllic views over well-manicured landscaped gardens. With a blend of African culture and modern interior, each room creates a perfect atmosphere for a business or leisure travel.

Speke Resort Munyonyo and Munyonyo Commonwealth Resort have garnered several accolades over the years for the services offered.

LEISURE FACILITIES

Speke Resort Munyonyo and Munyonyo Commonwealth have a host of leisure activities you can indulge in during your stay with us. With our private marina just within the resort, explore the vast expanse of Lake Victoria with a leisure cruise, a boat party or deep-lake fishing.

With 110-acres that are home to some of the most exotic flowers, plants and birds species, leisurely walk the gardens and explore or sit by the pool and wile away the day.

If that's not your calling and you want something high octane, take one of our horses from the equestrian centre for a canter, thrash about on the squash courts or pump some iron in the gym.

And once dusk sets, take in a soothing steam bath, sauna or massage and call it a day.
